All the World Is a Stage

You Ought to Be in Pictures

The stage is set, the curtains are opening, and the show is about to begin.

That's right. The show is another year at E.H.S. But it's not so bad. We have an all-star cast. You! That's right, the whole student body, you're the stars!

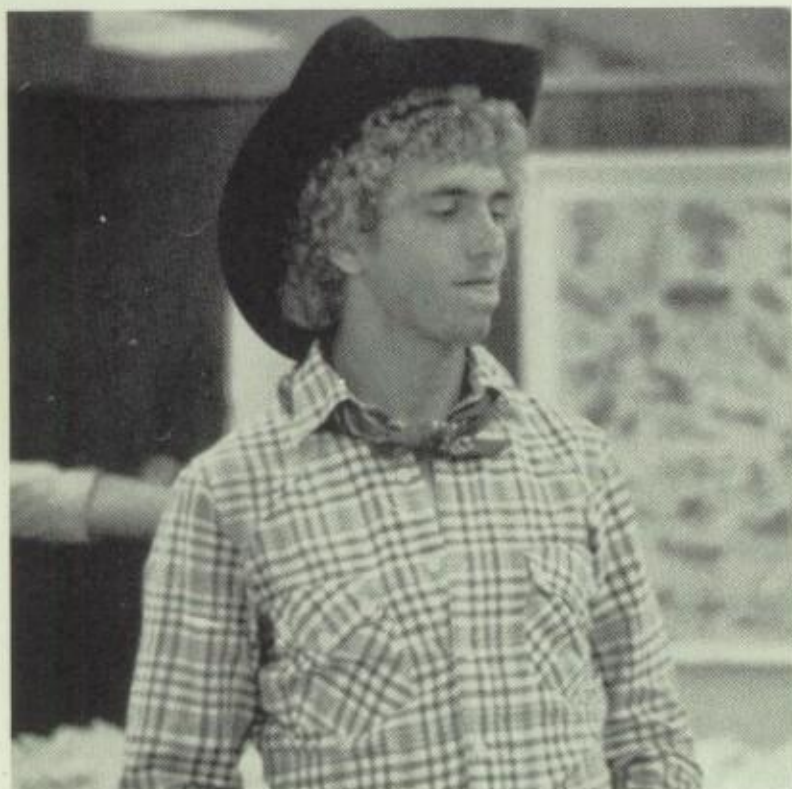

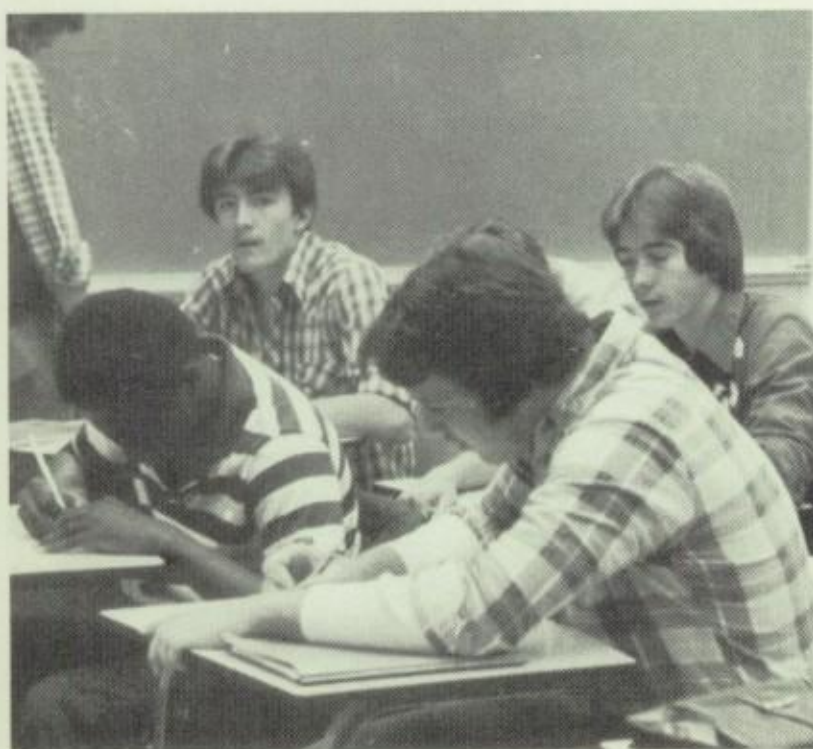

This year has been named the "Year of the Lion." We have definitely shown that it is. Our Lions have proved that they are really stars. They've shown out in every way possible.

But the athletes are not the only stars that shine. Each and every individual is a star by himself and all the individuals combined are stars that shine together to make E.H.S. the brightest show in town.

Always remember that you're the star of everything you do whether it be at school or in your every day life. No matter what you do you can be the hero or you may be the villain. It all depends on your own personal pride of yourself whether your star continues to shine or whether it fails.

But just remember when you look through this yearbook and see yourself and all your friends, you can say to yourself "I really ought to be in pictures!"

Denise has participated in F.H.A., Student Council, F.B.L.A., Basketball, Beta Club, SODHASS, WWAAHAS, and hall monitor. Denise was also this year's homecoming queen. Congratulations Denise you have got a lot going for you in life.

Mr. & Miss E H S

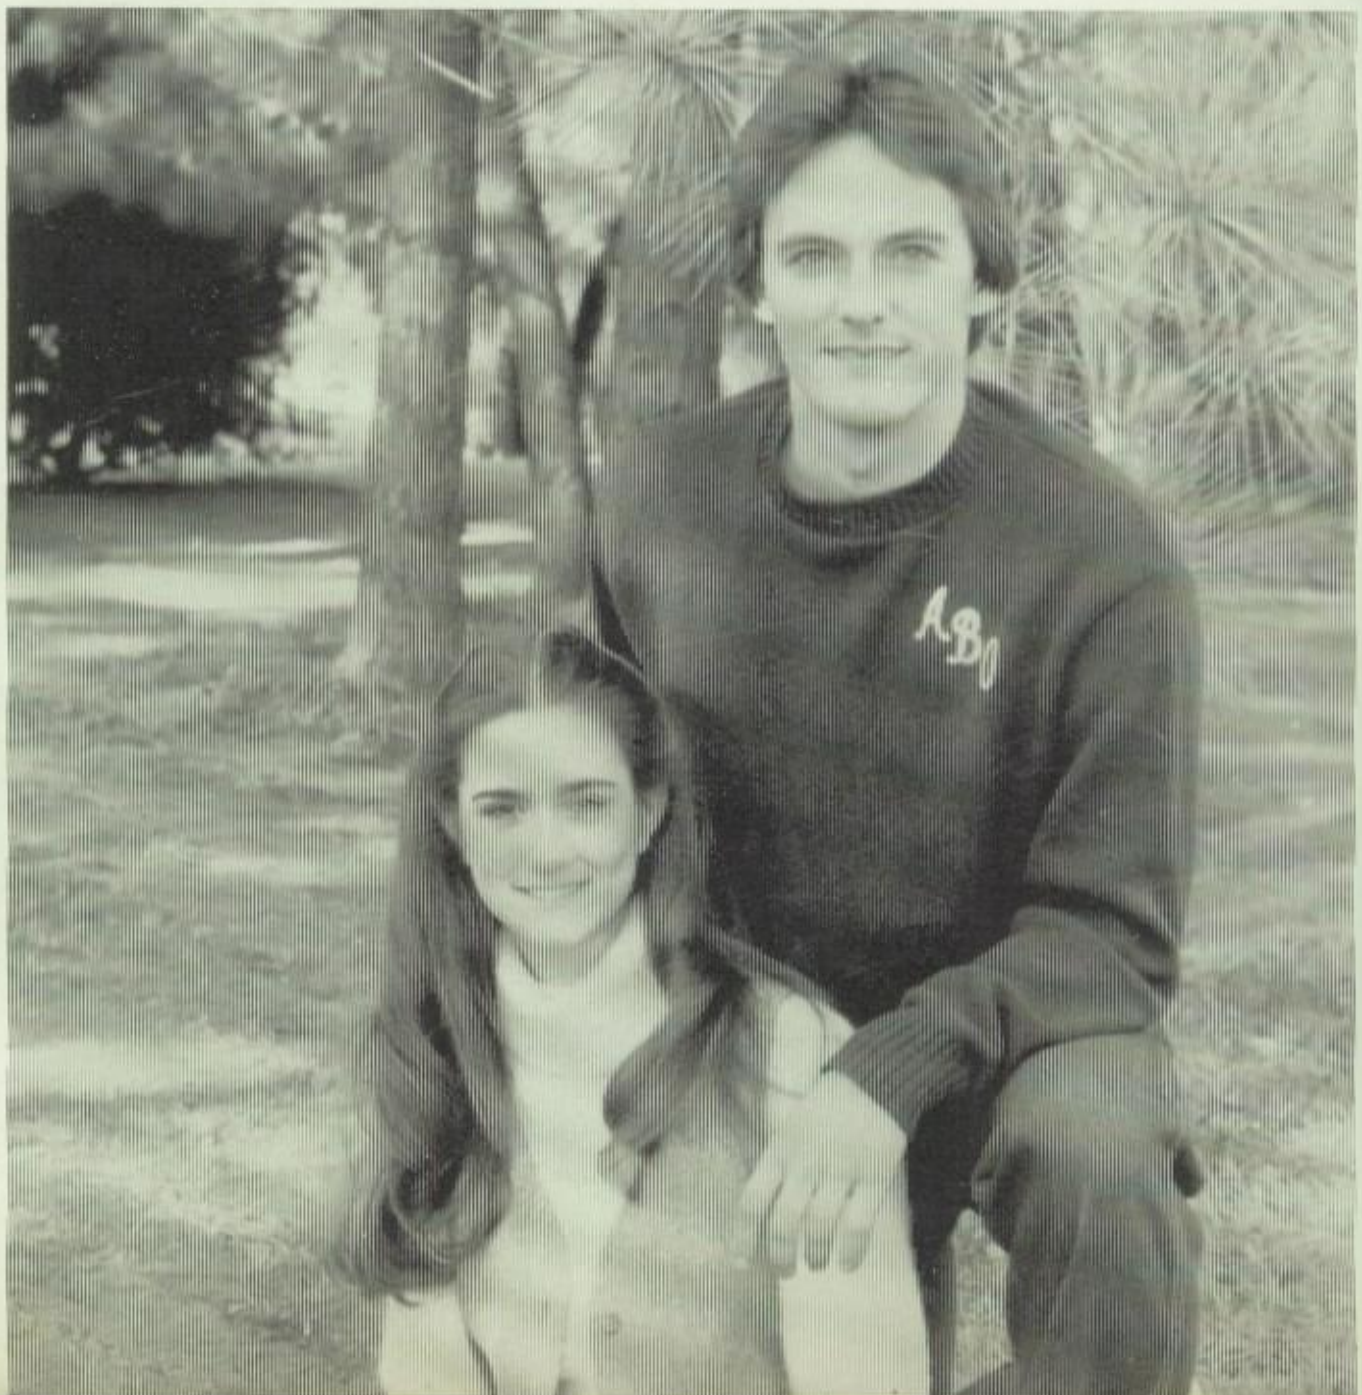

Denise Whitfield and David Woods

Good Looks aren't the only thing that made them receive this title, it was the inner beauty also which **Scott Polk** and **Michelle Crumley** most certainly have. Their spectacular inner beauties stand out as well as their outer appearance, which makes having been selected **Most Handsome and Prettiest** such a great privilege for them.

Best Personality most definitely goes to **Bryan Oliger and Margaret Lipscomb**. They've truly earned this title because of their courteousness and unique personalities. These two are always seen with a smile on their faces which helps make going to school a little more pleasurable. They really do help make EHS what it is with their personalities.

E. C. Harrison and Helen Woods have been chosen as this year's **Most School Spirited**. This being proclaimed as "The Year of the Lion," they have shown most outstanding school spirit at pep rallies, basketball and football games and have set good examples for all the other student body here at EHS. Congratulations you two for your never-ending support and for helping make this year truly, "The Year of the Lion."

The qualities of being a good athlete are muscle, strength, determination, and above all, patience. **Kenneth Hunter and Sherry Nellums** possess all of these qualities and they have surely proved it to the student body at EHS. Led by two superior athletes, EHS has been recognized in District Tournaments in basketball and high honors in track and have gained great respect and popularity in District AA Championships and State Playoffs in football. For this, the student body has made a wise choice in selecting these two students as **Most Athletic**.

Tony Frisco and Angie Zerbe are well known around E.H.S. for their great achievements. They come through in everything they do. Wherever you need a helping hand these two are always there. For this they have truly earned the title of **Most Likely to Succeed.**

As a result of working and studying diligently, **Scotty Hoggard and Winfred Drayer** have well earned this honor of **Most Studious.** It takes a lot more than just listening in class to get a good grade these days. These students spend hours of "spare time" studying for good grades, and they've achieved their goals with flying colors. Keep up the good work, Scotty and Winfred you're bound to go far.

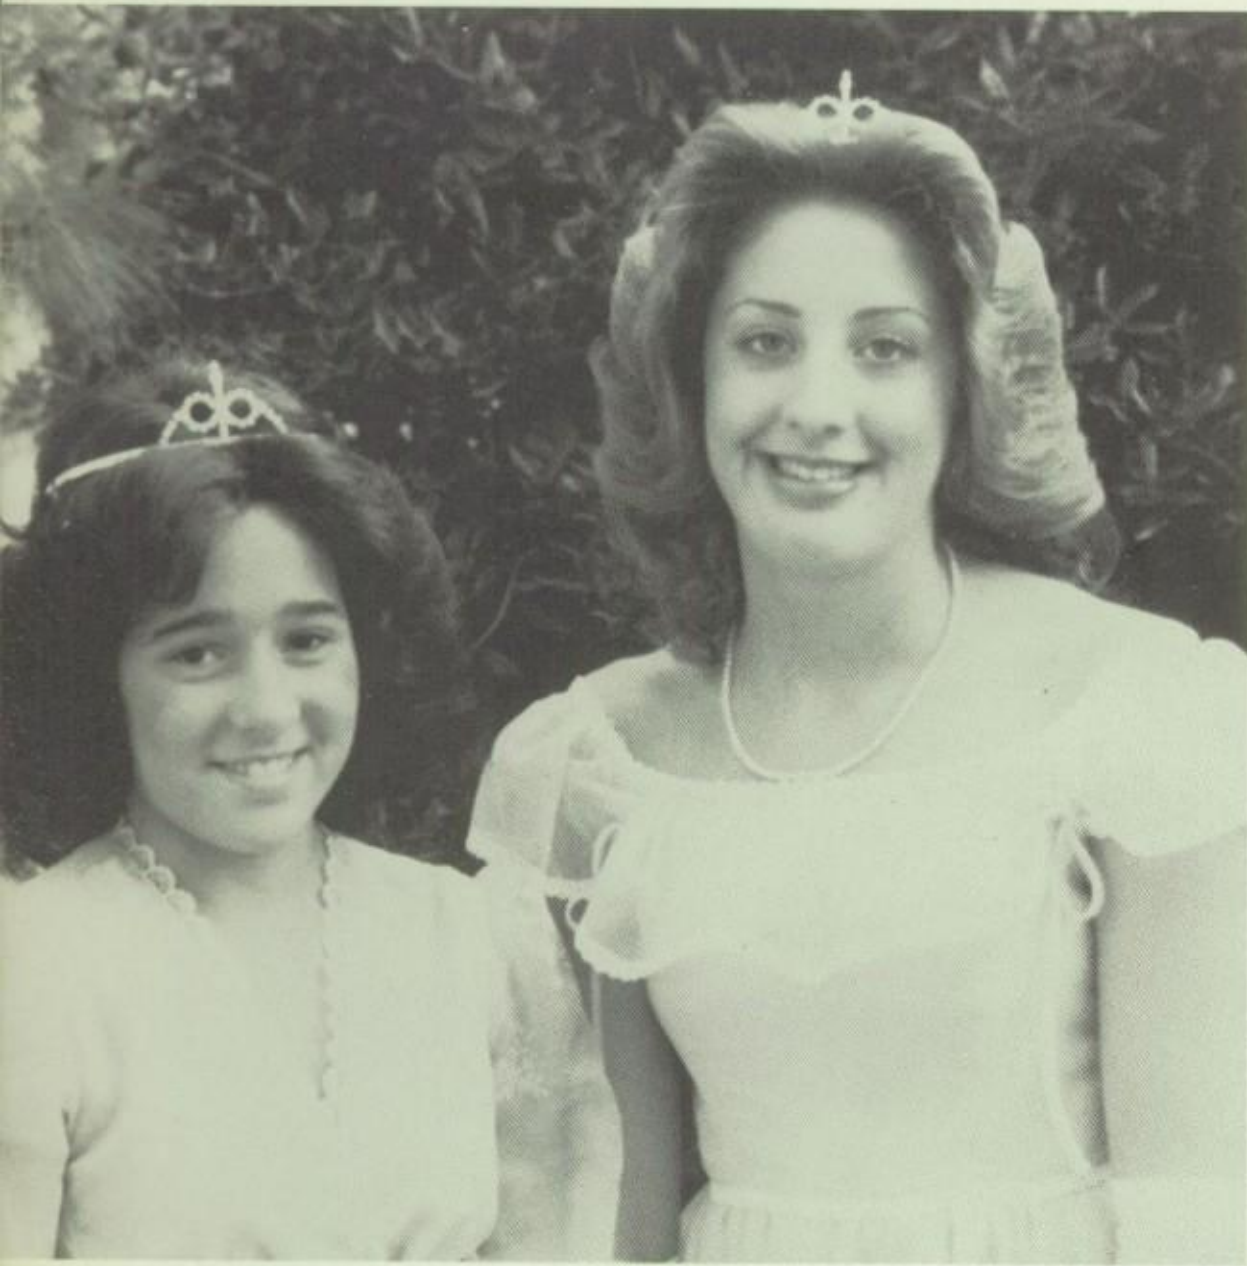

"There seems to be one in every crowd." But here at E.H.S. two of the **Biggest Flirts** are **Mike Busick and Rhonda Price**. They seem to have some kind of special charm with the opposite sex, and doesn't hesitate to use that charm. These two have truly earned this title for their unique charmness and ability to comprehend the opposite sex.

"They'll do almost anything." **Norman Hunter and Bessie May** make going to E.H.S. more pleasurable. With their wittiness they are always putting a little fun in everything they do. For this the student body recognized these two by awarding them a well earned title, **Wittiest**.

This year's **Band Queen** is **Sherry Sebourn** and **Band Princess** is **Debbie Pettit**. Congratulations girls for all the hard work and time you two have spent working for your honors.

By raising the most money **Regina Massey** earned the title of the 1981-82 **Harvest Queen**. The money raised goes to the band. She truly deserves this honor for all the time and hard work she did.

Being chosen as junior high **Best All Around** is a great honor for **Shawn Westbrook** and **Kevin Coleman**. It's a great way to start off on the right foot while still in junior high. Starting off right early will lead to earning bigger and better titles at E.H.S. Good luck to you two.

Bethany West and Preston Calhoun, were awarded the title of **Cutest**. They seem to brighten up E.H.S. with their warm smiles and cute faces. E.H.S. is proud to award these two deserving students this title.

Rosemary Pate and Barry Heinley must have unique ways of stimulating a crowd to have been selected the title of **Most School Spirited**. They're always supporting the Lions by cheering, yelling, and showing school spirit. Surely they have well earned this honor.

Lawrence Parks and Sandra Reed with their superior athletic abilities have been chosen to hold this junior high title of **Most Athletic** in hopes to be E.H.S.'s future most athletic.

Jon Athchison and Regina Massey always seem to have a kind word to say. Despite their charming personality, they're always saying hello or making some days a little bit brighter. Guess that's why they were awarded the honor of **Friendliest** in Jr. High.

The two representatives from England for the 1981 39th Annual **Girls' State** were **Leanne Flanakin** and **Cathy Gibbs**. Girls' State was held at Quachita Baptist University lasting from June 7 through June 31th. Among many topics they learned about government, politics, involvement in their community, and how to set goals and to accomplish them.

The 1981 American Legion **Boys' State** session was held at Arkadelphia from May 31 through June 6. The two delegates from England were **Bryan Oliger** and **David Woods**. In the six-day training course they learned practical application of problems in self-government, and how to develop respect for one's state and country.

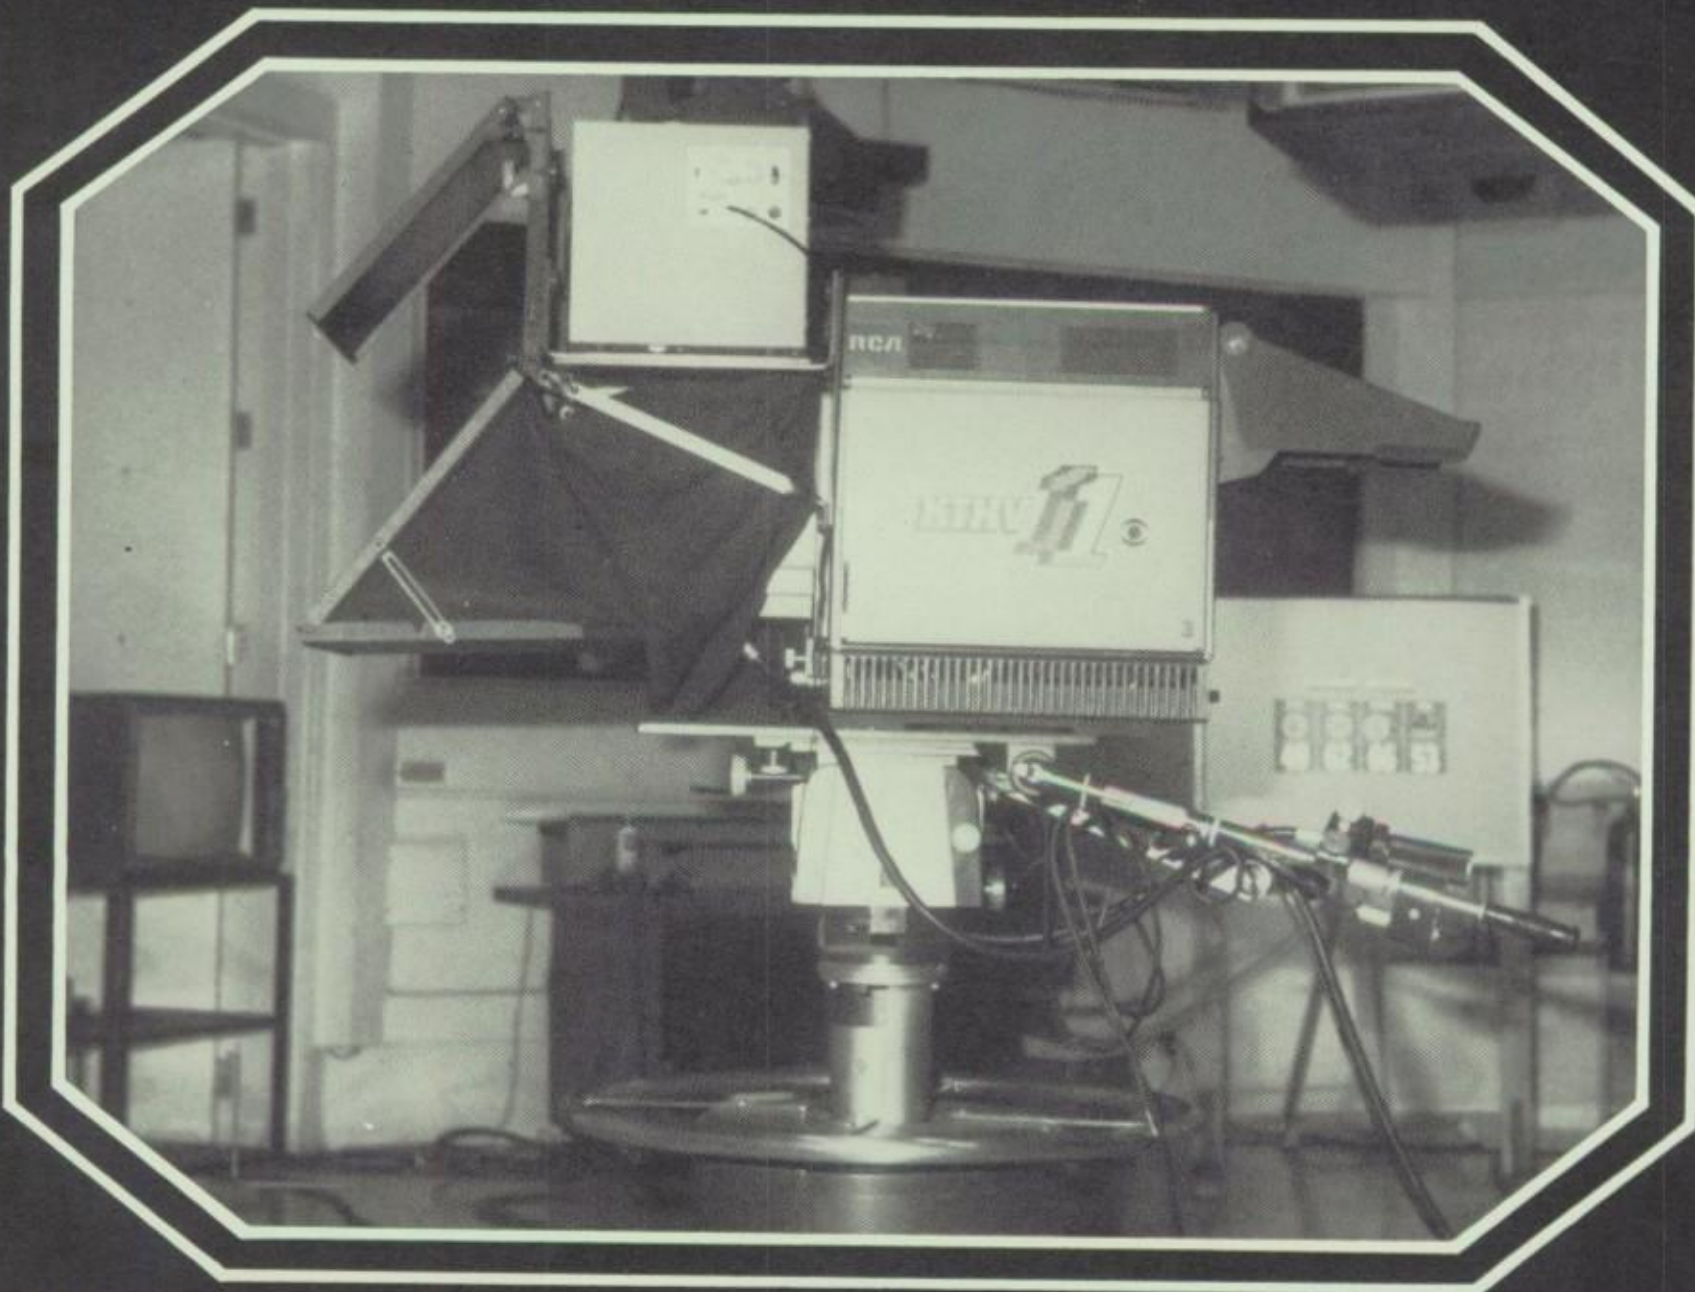

Tony Frisco participated in the second annual **Governor's School** of Arkansas which was held June 14 through July 18 at Hendrix College in Conway. Tony participated in the social science field in the school designed for gifted and talented students.

This year **Scott Hoggard** was selected as the **Presidential Classroom Delegate**. He went on a trip to Washington D.C. during the month of February 6 through 13 to represent E.H.S. and he met many new friends from all over the country.

EHS Celebrates Homecoming

The day, October 9, 1981, the day of EHS's Homecoming!

The day was cloudy and everyone was afraid it was going to rain. But did it? No-o-o! Of course not. The day turned out to be perfect.

When the day began, everyone was running around trying to finish the floats. But everyone worked hard and the job was finished.

School was dismissed early so everyone could see the parade.

With the clowns, the band, and the floats, the parade turned out to be a big success.

The evening turned out to be an even bigger success with a win over Elaine and a homecoming dance.

It certainly proved to be a day of anticipation!

A Dream Came True

. The night began at 7 o'clock when the 1981 homecoming queen and court were presented.

Denise Whitfield, escorted by her brother Donny Whitfield, was crowned queen. Her court consisted of senior maids Michelle Crumley, escorted by her father, Ron Crumley, and Cathy Gibbs, escorted by her father, Harold Gibbs, Jr.

The junior maids were Sandra Cain, escorted by her grandfather Grady Wood, and Denise Turner, escorted by her father Bobby Turner.

The sophomore maids were Queen Parker, escorted by Larry Thomas, and Vickie Stewart, escorted by Gerald Stewart.

After the crowning, the game began and the Lions totally dominated the game and came out on top with a score of 32-0!

After the game, a dance was held to celebrate the win.

All in all the EHS 1981 Homecoming was truly a dream come true!

An Upsetting Outcome

The evening began pleasantly enough with the procession of the royalty and Shawn Westbrook being crowned queen of the 1981 junior high homecoming.

The Junior High royalty consisted of 9th graders Rosemary Pate and Michelle Coffey. The 8th grade maids were Tina Rowe and Bethany West.

As the evening went on the disappointment began. The junior high Lions put up a good fight but were unable to win over the Althiemer Red Devils.

Even though the outcome was upsetting, the England Junior High Lions still had a very good season.

Celebrating The Harvest

The Harvest Festival rolls around about the same time every year. This year was no exception. And as usual the England Band Boosters were the sponsors.

As always the Harvest Festival contained a wide variety of different games for everyone's amusement. You could have tried your luck at the basketball toss, putt putt golf, bean bag toss, water balloon, or if you felt really lucky, you could have tried at bingo.

The program and crowning of the queen and princess began at 8 o'clock in the elementary school auditorium. The EHS chorus sang and the Dixieland Band performed.

After all that, wouldn't you say the Harvest Festival was worth celebrating?

Jr.-Sr. Play

Bell, Book, and Candle

On March 26, 1981 the E.H.S. players presented a comedy and suspense play entitled "Bell, Book, and Candle."

The play was centered around a beautiful witch named Jillian who is trying to hide her identity from everyone, including Shep, the man she loves.

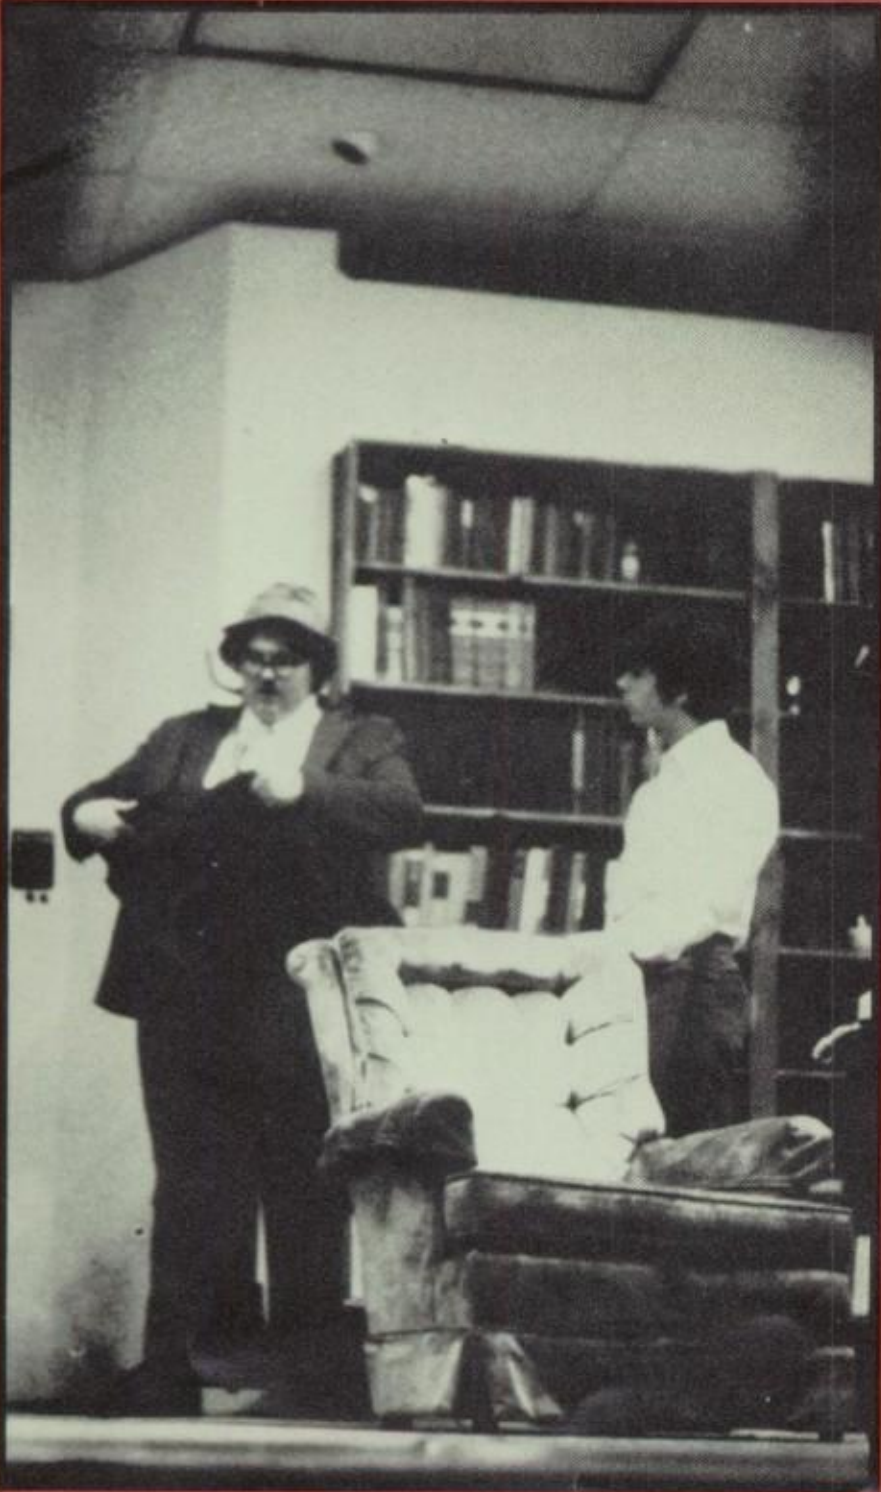

Since she is a witch and he is a mortal, she cannot marry him. Shep finds out her secret and breaks up with her. She decides even though he broke up with her she was going to give up her powers.

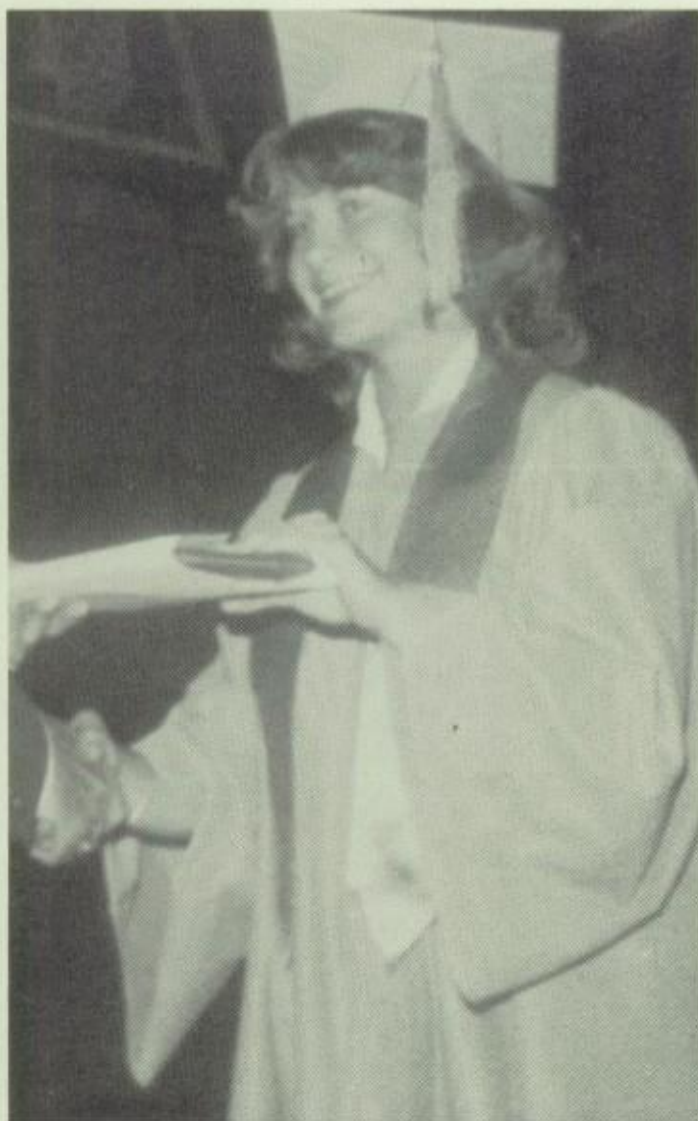

Shep finds out about what she did for him and admits he still loves her.

Graduation

Class of '81

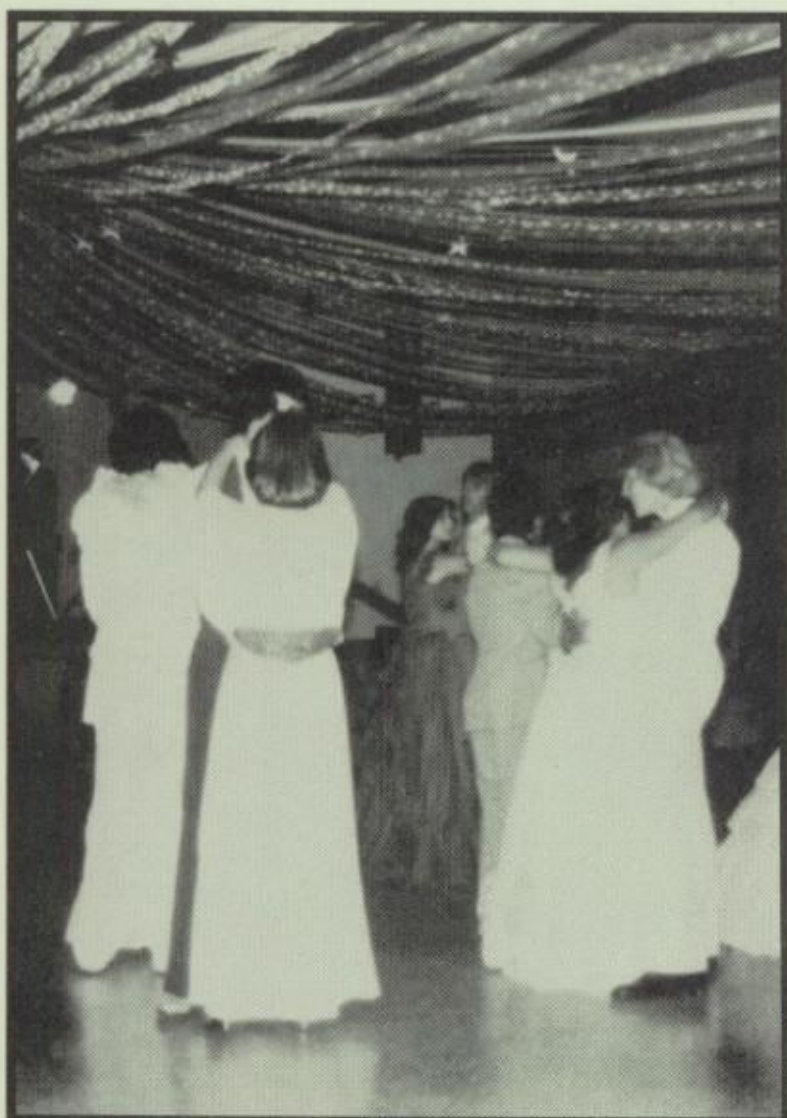

As long as there has been school and as long as there has been students, there has been graduation. The class of '81 is no exception.

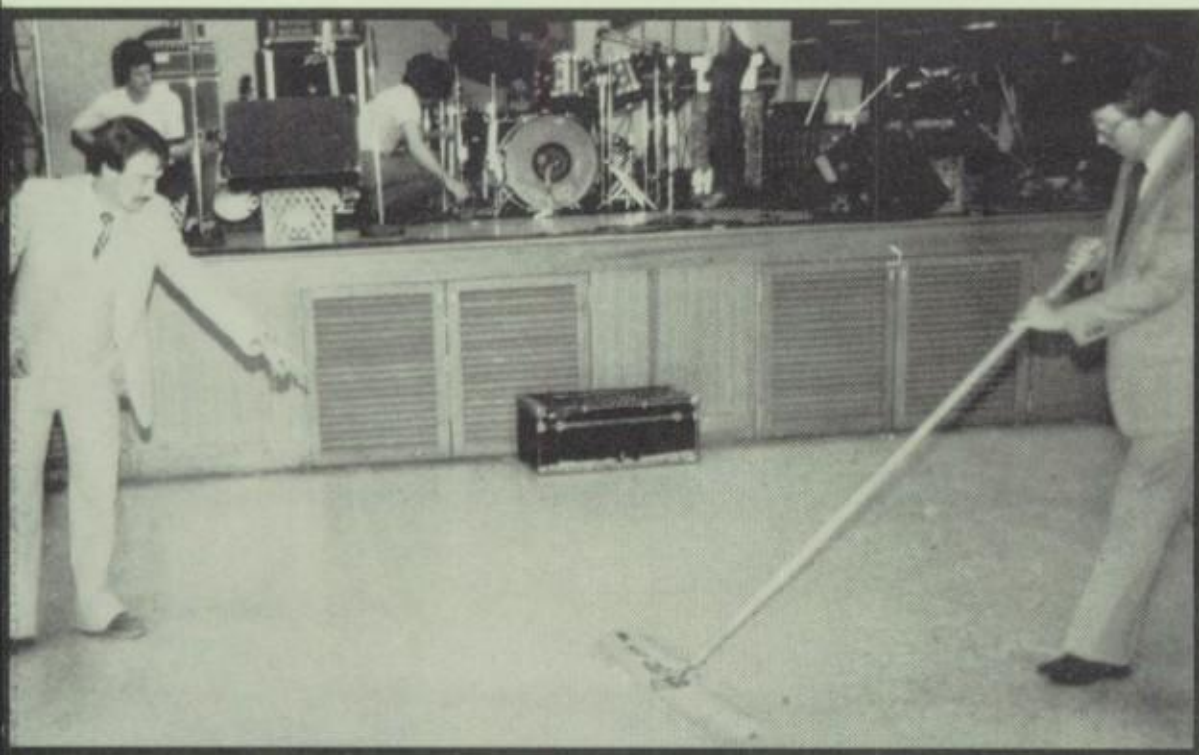

With graduation there is always a lot of joy but there is also a lot of pain. There is the feeling of self pride to know you finally made it. There is also the pain of saying good-bye to all your friends and the fear of facing the unknown.

But as you say good-bye to one group of graduates you always remember there is another group to take their place. And all the memories of your high school year will stay with you as long as you live.

Banquet and Prom

A Night to Remember

Each year the junior class presents to the seniors a banquet and prom for one last big fling and to say good-bye. On May 15, 1981, the juniors gift to the seniors was Southern Nights.

The banquet began at 7 p.m. and provided much entertainment for those who attended. The entertainment consisted of music by Kelly Richey and Brenda Yelvington accompanied by Jessica Tucker on the piano.

More entertainment which provided an amusing aspect to the banquet was the reading of the wills which was done by Cathy Gibbs and Scott Polk.

The biggest part of the night was the prom. All the girls came dressed as Southern Bells which also went along with the theme of Southern Nights.

The entertainment for the prom was a band called the Snickers.

All in all it was definitely a night to remember.

Hurry up! The bell just rang.

A Princess Is Crowned

Third grader Meredith Gibson, daughter of Mrs. Rena Gibson, was able to raise \$715.00 which gave her the title of princess for the 1981 Harvest Festival held November 14.

The runner-up for princess was sixth grader Lisa Powell, daughter of Mr. and Mrs. Carlton Powell.

We are proud to have these girls represent us as the princess and her maid for the 1981 Harvest Festival.

Patrons

Advertisers and Patrons of the Lion are an important part of the yearbook. Through their support, students are able to buy their books at a reduced price. Their contributions also make possible many added features that enhance the quality of the yearbook. Without these patrons, the Lion could never be as successful as it has been.

A heartfelt thank-you is extended to all of the following businesses, groups, families and individuals.

Simply Because We Love You

With Love

This year, our Senior High football team has given us the best season we could have ever hoped for. They've put in a lot of hard work and dedication. For this we dedicate this year's Annual entitled "All The World is a Stage," to the 1981-82 Senior Lions football team.

LION'S, YOU'VE MADE US PROUD!

'The Year of the Lion'

It was one of those kinds of seasons
When everything touched turned to gold.
Those mighty England Lions had a team
That was something to behold.

Each and every foe was taken on one by one
From September through November.
In seasons passed, a better England Lions' team you say —
But no one could remember.

Two-a-days seemed eternity
Practice was always long and hard.
The field dotted with determined blood and sweat;
But these bunch of guys knew the price to pay
to be winners, you could bet.

Winners after facing Marvell!
Everyone could now see the light;
The seniors saw the District Championship
That was now in full sight.

England journeyed to Altheimer one cold October night
Fully expecting all the way a very hard fight;
Looking for the victor's cup,
It wasn't long before the Red Devils had turned belly up.

Pride runs deep and it was on to the playoffs —
First time in many years;
Hard fought victories were met
With lots of joy and happy tears.

Some players, glimpsing back at the season now,
Had beaten the Mustangs, the Bison,
the Panthers, and the Blue Devils;
But this next team, they could not slight,
For this team's strength was equal to the Lions' own might.

Many different people have helped with this team
in different ways —
A lot of time compiled into days;
But now the time had come when as a team,
They had to stand alone —
To face a tough Augusta team
who had traveled far from their home.

Win or lose, everyone knew
The Lions would give it their best shot.
Too many good things had happened
And oh had they run and hit that sled an awful lot.

It was the classic struggle of life and death
As two thousand fans held their breath.
Early in the game, anyone could see,
This Augusta team was tough
And playoff winners they planned to be.
But once again the Lions roared and the curtains fell
For these Devils, it was not meant to be;
Because a small 21 wanted it a little bit more you see.

Now, finally, they stood in a position
They had never been in before,
Facing a Highland team that represented a closed door!
It was a time when seniors had to re-group
And nurse small injuries that seemed extra sore.

One more practice, one more plan,
One more trip down the road;
This time for the State title —
The fruits of victory earlier in the season
had been sowed.

Cuts and bruises, pain and pride
Are all a part of this game;
Regardless of class or who you were

We all went through it as one in the same.

It took a man to hang in there
when the going got tough,
For many of the Friday night battles
were awfully rough.

Many times the greatness of teams are measured
only in victories and goal-line stands
Yet in gridiron seasons passed, victories have been
measured in how a boy became a man.

A trip to Hardy, win or lose,
Just icing on the cake;
For this one last time
Was all only for their sake.

It was a night when only winners
could run onto this field —
For all others had fallen by the way;
The Lions had proven their point many times before
And had looked forward to this fateful day.

The scoreboard did not read
the battle fought that night;
The papers said from the beginning
this game would be tight.

There was a lesson to be learned here,
But it was hard for all of us to see;
Never once had we fallen short,
This one last time — why couldn't it be.

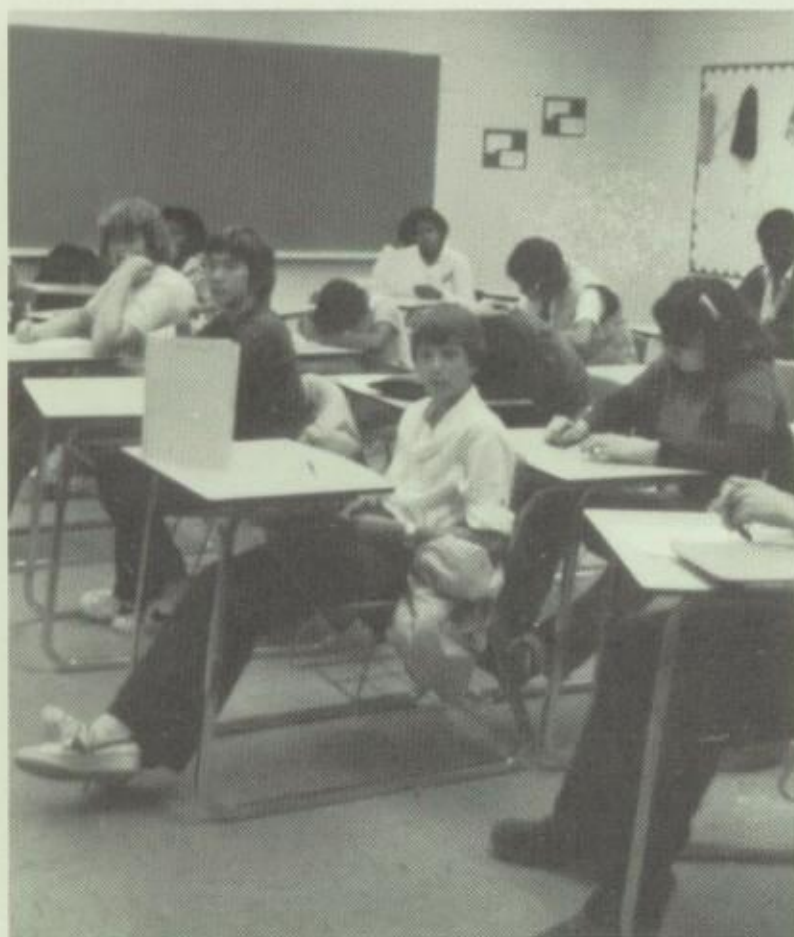

Being able to accept defeat
Is as important as being a humble winner.
In any game these a major parts,
But any way you look at it,
These Lions will always be number one in our hearts.

It was a good year,
Many good memories to be remembered in seasons to come
—
Of those when playing was fun
And the job had been well done.

It was "The Year of the Lion,"
Not one could ever doubt that
Many witnessed the Lions' role
Right where they sat.

We all certainly hope our good fortune will never end;
It usually hinges on a defense
That won't break — only bend.

After All These Years

Wishing wishes, Dreaming dreams,
 Hoping hopes, Scheming schemes.
 Planning plans, Cheering cheers,
 Reflections of your high school years.
 Phoning friends, Chasing boys,
 Stupid jokes and lots of noise.
 Designer jeans, preppy clothes,
 What was in fashion? No one knows!
 Homecoming dances, banquets and
 prom,
 Fights with dad and also with mom.
 Lots of movies that made you cry,
 or scared you so bad you thought
 you'd die
 Science, Algebra, English III and IV,
 Chemistry, History, Oh! What a bore!
 Up at seven, home at three, homework
 until five
 Oh! Those high school years! How did
 we survive
 Senior prom is next week, graduation
 after.
 Will we ever forget these years of love
 and laughter?
 We've made it through the sorrows and
 many tears,
 Now we have diplomas, After all these
 years!

When you open this book in the years to come, we hope your memories of this year are as special to you as ours are to us.

Just remember that your high school years are some of the most important of your life and this book is for you to remember the one we shared this year.
